2022 BUDGET REPORT

Dear Reef Gate West Homeowners,

Your Board of Directors has undertaken a thorough review of the financials and operating budget with the goal of providing for sufficient operations and funding adequate reserves to meet long-term requirements. The Board of Director's has found that the current amount is not sufficient to maintain the Association's operating costs during this inflationary period. **Therefore, effective January 1, 2022, your monthly assessments will increase 4.5% to \$695.00.**

In compliance with the California Civil Code §5550, a professional reserve analyst, Association Reserves, was hired to complete an inspection of the project, to review the reserve-funding program and to make recommendations for future funding.

Enclosed for your records, please find the following items:

- Budget for the fiscal year, January 1, 2022 – December 31, 2022
- Assessment and Reserve Funding Summary & Disclosure
- Executive Summary
- Master Insurance Declaration
- Earthquake Insurance Declaration
- Annual Policy Statement
- Assessment and Foreclosure Policy
- Summary of Alternative Dispute Resolution
- Summary of Internal Dispute Resolution
- Architectural Guidelines & Procedures
- Security Disclosure
- FHA & VA Certification Disclosures
- Pay Lease
- Annual Request for Address

The Board of Directors does anticipate a special assessment to repair, replace, or restore any major components or to maintain adequate reserves. The Association does not currently have any outstanding loans and the Association has not borrowed from reserves.

In accordance with Civil Code 5805, the Association is insured to the level specified in the Code and carries General Liability insurance in the amount of five million dollars. Therefore, owners are individually liable only for their proportionate share of assessments levied to pay any judgments that exceed the limits of the Association's insurance. In accordance with the Civil Code the following statement must be presented to all members of the Association.

"This summary of association's policies of insurance provides only certain information, as required by Section 5300 of the Civil Code, and should not be considered a substitute for the complete policy terms and conditions contained in the actual policies of insurance. Any association member may, upon request and provision of reasonable notice, review the association's insurance policies and, upon request and payment of reasonable duplication charges, obtain copies of those policies".

Although the Association maintains the policies of insurance specified in this summary, the association's policies of insurance may not cover your property, including personal property or, real property improvements to or around your dwelling, or personal injuries or other losses that occur within or around your dwelling. Even if a loss is covered, you may nevertheless be responsible for paying all or a portion of any deductible that applies. Association members should consult with their individual insurance broker or agent for appropriate additional coverage.

Meeting minutes are available to owners on our website at www.reefgatewest.org after meeting ratification every other month. Printed copies of the minutes are available from management upon request and are subject to a minimal copy/postage charge. If you have any questions regarding this budget packet, or would like a complete copy of the Reserve Study, please direct your written request by mail or email to:

This is an "Full" Reserve Study, and is based on our site inspection on 8/7/2020. This Reserve Study was prepared by a credentialed Reserve Specialist, Sabrina C. Willison RS #334.

The Reserve Fund is between the 30% funded level and the 70% funded level at 38.6 % Funded, which is a fair position for the fund to be in. This means that the association's special assessment & deferred maintenance risk is currently medium. The objective of your multi-year Funding Plan is to Fully Fund Reserves and ultimately achieve a position of strength in the fund, where associations enjoy a low risk of Reserve cash flow problems.

Based on this starting point, your anticipated future expenses, and your historical Reserve contribution rate, our recommendation is to increase your Reserve contributions to \$14,900.

*The Alternative Contribution rate, also called Baseline Funding will keep the Reserve Funds above \$0. This figure for your association is \$13,100.

RULES ENFORCEMENT POLICY – SUMMARY ATTACHED

The Association may impose monetary penalties, suspend privileges and/or take legal action for violation of the Association's governing documents. Please read the attached documents for more information.

PAYMENTS

When an owner makes a payment, he or she may request a receipt, and the Association is required to provide it. On the receipt, the association must indicate the date of payment and the person who received it. The Association must inform owners of a mailing address for overnight payments. (Section §5655 of the Civil Code)

An owner may, but is not obligated to, pay under protest any disputed charge or sum levied by the Association, including, but not limited to, an assessment, fine, penalty, late fee, collection cost, or monetary penalty imposed as a disciplinary measure, and by so doing, specifically reserve the right to contest the disputed charge or sum in court or otherwise.

An owner may dispute an assessment debt by submitting a written request for dispute resolution to the association as set forth in Article 2 (commencing with Section §5900) of Chapter 10 of Part 5 of Division 4 of the Civil Code. In addition, an Association may not initiate a foreclosure without participating in alternative dispute resolution with a neutral third party as set forth in Article 3 (commencing with Section §5925) of Chapter 10 of Part 5 of Division 4 of the Civil Code, if so requested by the owner. Binding arbitration shall not be available if the Association intends to initiate a judicial foreclosure.

An owner is not liable for charges, interest, and costs of collection, if it is established that the assessment was paid properly on time. (Section §5685 of the Civil Code)

PAYMENT PLANS

An owner may request the Association to consider a payment plan to satisfy a delinquent assessment. The Association must inform the owners of the standards for payment plans, if they exist. (Section § 5665 of the Civil Code)

The Board of Directors must meet with an owner who makes a proper, written request for a meeting to discuss a payment plan when the owner has received a notice of a delinquent assessment.

SECTION 2: ENFORCEMENT OF THE RULES

The Association has the right and the duty to enforce the governing documents. When an owner, a member of the owner's family, an owner's guest, an owner's tenant, or an owner's contractor violates a rule, the Association Management will notify the person violating the rule and request that the violation be cured. When appropriate, the notice will be in writing, but under certain circumstances, the notice may be verbal and will have the same effect as a written notice.

When the board of directors is to meet to consider or impose discipline upon a member, the board shall notify the member in writing by either personal delivery or first-class mail, at least 15 days prior to the meeting. The notification shall contain, at a minimum, the date, time, and place of the meeting, the nature of the alleged violation for which the member may be disciplined, and a statement that the member has a right to attend and may address the board at the meeting. If the board imposes discipline on a member, the board shall provide a notification of the disciplinary action by either person delivery of first-class mail to the member with 10 days following the action. A disciplinary action shall not be effective against a member unless the board fulfills the requirement of this subdivision. (California Civil Code Section #1363(h).)

Monetary penalties are imposed upon the owner of the unit even if the violation is incurred by a member of the owner's family, a guest, a tenant, or a contractor. Failure to pay a fine imposed by the Board of Directors for a violation of the governing documents or Association rules may result in legal action against the responsible owner.

The amount of the monetary penalty that the board may impose varies with the seriousness of the violation. Violations that endanger the health of occupants or could damage the common area are subject to higher penalties. Repetitive violations may also result in higher penalties. The Board of Directors has established the following minimum fines:

- | | |
|--|------------|
| 1. Use of fireworks in the complex | \$ 100.00 |
| 2. Using another unit's parking space without permission | \$ 100.00 |
| 3. Burning material other than natural gas in fireplace or propane/natural gas on patios | \$1,000.00 |
| 4. Renting a unit for less than 28 contiguous days | \$ 500.00 |
| 5. Repeat violations of the same rule double the previous fine. | |
| 6. Violation of rules by contractors: (These fines will be assessed to the unit owner employing the contractor and do not apply to emergency repairs.) | |
| a. Working on Saturdays, Sundays or legal holidays | \$ 100.00 |
| b. On the premises before 8:30 AM | \$ 100.00 |
| c. Performing work before 9:00 AM or after 6:00 PM | \$ 100.00 |
| d. Failure to cleanup hallways, stairs, elevators | \$ 100.00 |
| 7. Starting a remodel/unit improvement project prior to obtaining Board approval | \$500.00 |
| 8. Unit rental without providing rental information outlined in Section 12 | \$250.00 |

Failure to pay a fine imposed by the Board of Directors for a violation of the governing documents or Association rules may result in legal action against the responsible owner.

ASSESSMENT AND FORECLOSURE POLICY

Prompt payment of assessments by all owners is critical to the financial health of the Association and to the enhancement of the property values of our homes. Your Board of Directors takes very seriously its obligation under the Declaration of Covenants, Conditions, and Restrictions (CC&Rs) and the California Civil Code to enforce members' obligation to pay assessments. The policies and practices outlined shall remain in effect until such time as they may be changed, modified, or amended by a duly adopted resolution of the Board of Directors. Therefore, pursuant to the CC&Rs and Civil Code §5730, the following are the Association's assessment practices and policies:

1. Regular monthly assessments are due and payable on the first day of each month. A courtesy billing statement is sent each month to the billing address on record with the Association. However, it is the owner of record's responsibility to pay each assessment in full each month regardless of receipt of a statement. All other assessments, including special assessments, are due and payable on the date specified by the Board on the Notice of Assessment, which date will not be less than thirty (30) days after the date of notice of the special assessment.
2. Assessments, late charges, interest, and collection costs, including attorneys' fees are the personal obligation of the owner of the property at the time the assessment or other sums are levied (CC §5740).
3. Assessments not received within fifteen (15) days of the stated due date are delinquent and shall be subject to a late charge of ten dollars (\$10.00) OR 10% of the monthly dues for each delinquent assessment per unit.
4. Any payments made shall be first applied to assessments owed, and only after the assessments owed are paid in full, shall such payments be applied to late charges, interest, and collection expenses, including attorneys' fees, unless the owner and the Association enter an agreement providing for payments to be applied in a different manner.
5. A first notice of past due assessment will be prepared and mailed on assessments not received within sixty (60) days of the stated due date. Subject to the provisions of the governing documents, an interest charge at the rate of 12% per annum will be assessed against any outstanding balance, including delinquent assessments, late charges, and cost of collection, which may include attorneys' fees. Such interest charges shall continue to be assessed each month until the account is brought current.
6. If a special assessment is payable in installments and an installation payment of that special assessment is delinquent for more than thirty (30) days, all installments will be accelerated and the entire unpaid balance of the special assessment shall become immediately due and payable. The remaining balance shall be subject to a late charge and interest as provided above.
7. If an assessment is not received within seventy five (75) days of the stated due date, the Association or its designee, in the event the account is turned over to a collection agent, will send a pre-lien letter to the owner as required by Civil Code § 5650(a) and 5660 by certified and first class mail, to the owner's mailing address of record advising of the delinquent status of the account and impending collection action. The owner will be charged a One Hundred Sixty Dollar (\$160.00) fee for the pre-lien letter.
8. If an owner fails to pay the amounts set forth in the pre-lien letter within forty-five (45) days of the date of that letter, the Association will authorize their collection attorney to record a lien for the amount of any delinquent assessments, late charges, interest, and/or costs of preparing and recording the lien. Thirty (30) days following recordation of the lien, the lien may be enforced in any manner permitted by law, including without limitation, judicial or non-judicial foreclosure (CC § 5740; CC § 5700[a]), subject to the limitations set forth below under "Additional Provisions to Conform to Law" and as otherwise provided by law.

IMPORTANT NOTICE: IF YOUR SEPARATE INTEREST IS PLACED IN FORECLOSURE BECAUSE YOU ARE BEHIND IN YOUR ASSESSMENTS, IT MAY BE SOLD WITHOUT COURT ACTION.

9. An owner is entitled to inspect the Association's accounting books and records to verify the amounts owed pursuant to Corporations Code § 8333.
10. In the event it is determined that the owner has paid the assessments on time, the owner will not be liable to pay the charges, interests, and costs of collection associated with collection of those assessments.
11. Any owner who is unable to pay assessments will be entitled to make a written request for payment plan to be considered by the Board of Directors. An owner may also request to meet with the Board in executive session to discuss a payment plan. The Board will consider payment plan requests on a case-by-case basis and is under no obligation to grant payment plan requests.
12. Nothing herein limits or otherwise affects the Association's right to proceed in any lawful manner to collect any delinquent sums owed to the Association.
13. Prior to the release of any lien or dismissal of any legal action, all assessments, late charges, interest, and costs of collection, including attorneys' fees must be paid in full to the Association.
14. All charges listed herein are subject to change upon thirty (30) days prior written notice.
15. An owner is entitled to submit secondary addresses to the Association for the purposes of collection notices. Upon receipt of a written request by an owner identifying a secondary address for purposes of collection notices, the Association will send additional copies of any notices required by Civil Code §5650-5690 to the secondary address provided.

Additional Provisions to Conform to Law

Prior to the recording of a lien, homeowners that are delinquent will be sent a pre-lien letter. The pre-lien letter will include an offer by the Association to engage in Internal Dispute Resolution upon receipt of a written request within forty-five (45) days of the pre-lien letter, pursuant to the Association's meet and confer program required by Civil Code § 5925-5965, et seq. and will also offer to engage in formal Alternative Dispute Resolution with a neutral third party pursuant to Civil Code § 5925, et seq. Prior to recording of a lien, the Board of Directors will approve the recording of the lien in open session at a meeting of the Board without identification of the name of the individual. The Association may not foreclose unless delinquent assessments are greater than \$1,800.00 or greater than one year in arrears.

Prior to commencing foreclosure, the Association will offer to engage in Internal Dispute Resolution upon receipt of a written request within thirty (30) days of the offer of such Internal Dispute Resolution, pursuant to the Association's meet and confer program required by Civil Code §5900, et seq. and will also offer to engage in formal Alternative Dispute Resolution with a neutral third party pursuant to Civil Code §5925, et seq. Prior to commencement of foreclosure, the Board of Directors will approve the foreclosure in open session at a meeting of the board without identification of the name of the individual. All foreclosures shall be subject to a ninety (90) day right of redemption.

In addition to the above, if a matter is sent to counsel for legal action, or to a collection service for foreclosure or other action, the owner will be responsible for any attorneys' fees and costs incurred by such action.

ALTERNATIVE DISPUTE RESOLUTION
Summary of Civil Code 5925 to 5965

Sections 5925 to 5965 of the Civil Code require that before owners and associations file lawsuits against each other for declaratory relief or injunctive relief in connection with a claim for money damages under \$5,000 or for enforcing the associations governing documents, the filing party shall endeavor to submit the dispute to alternative dispute resolution (ADR). Forms of ADR include mediation, negotiation, and binding or non-binding arbitration. This provision does not apply to the filing of cross-complaints.

The ADR process is initiated by one party serving a Request for Resolution upon the other parties to the dispute. The request must include (i) a brief description of the dispute, (ii) a request for ADR, (iii) a notice that a response must be received within thirty (30) days or it will be deemed rejected, and (iv) a copy of Civil Code Sections 5925 to 5965.

If the individual receiving the request agrees to ADR, the process must be completed within ninety- (90) days unless otherwise extended by agreement. The cost of ADR is to be paid by the participating parties. If a civil suit is filed, the filing party must submit to the court a Certificate of Compliance indicating the party has complied with the requirements of Sections 5925 to 5965. Failing to do so would be grounds for challenging the lawsuit.

Although the prevailing party is entitled to reasonable attorney's fees and costs, the court may consider a party's refusal to participate in ADR when making the award.

A description of the Associations internal dispute resolution process, as required by Civil Code Section 5920, is attached.

NOTE: Failure of any member of the association to comply with the alternative dispute resolution requirements of Civil Code 5930 may result in the loss of your rights to sue the association or another member of the association regarding enforcement of the governing documents or the applicable law.

INTERNAL DISPUTE RESOLUTION
Summary of Civil Code 5900 to 5915

Sections 5900 to 5915 of the Civil Code require that before owners and associations file lawsuits against each other for declaratory relief or injunctive relief in connection with a claim for money damages under \$5,000 or for enforcing the associations governing documents, either party to a dispute may invoke the following Internal Dispute Resolution (IDR) subject to the following procedures:

- 1) The party may request the other party to meet and confer in an effort to resolve the dispute. The request shall be in writing.
- 2) A member of an association may refuse a request to meet and confer. The association may not refuse a request to meet and confer.
- 3) The association's board of directors shall designate a member of the board to meet and confer.
- 4) The parties shall meet promptly at a mutually convenient time and place, explain their positions to each other, and confer in good faith in an effort to resolve the dispute.
- 5) A resolution of the dispute agreed to by the parties shall be memorialized in writing and signed by the parties, including the board designee on behalf of the association.

(c) An agreement reached under this section binds the parties and is judicially enforceable if both of the following conditions are satisfied:

- 1) The agreement is not in conflict with law or the governing documents of the common interest development or association.
- 2) The agreement is either consistent with the authority granted by the board of directors to its designee or the agreement is ratified by the board of directors.

(d) A member of the association may not be charged a fee to participate in the process.

ARCHITECTURAL PROCEDURES

1. Our CC&R's specifically require an owner to fill out an ACC (Architectural Control Request Form) and send it to the Board for review prior to the start of any work. Only exception to this is for carpeting and internal painting or basic maintenance items in their unit (plumbing repair, minor electrical repair, etc). No work can start without the Boards approval.
2. All work, except tile or hardwood installation, requires a City permit prior to performing any work and a final inspection sign off from the City must be sent to management.
3. All contractors must be licensed and insured to work at the facility. Copies of both are required prior to approval and start of the work.
4. The ACC form must contain a detail explanation and/or a blueprint plan of the work to be done. The target for response back to the homeowner is one week. The form requires us to know who the contractor is and the details in item #3.
5. If the work is approved, the Board will send the signed form with a list of requirements for working on the property as well as for the construction side of the remodel. The owner then agrees to the requirements and takes our form to the City for permits. The city should never issue permits w/o our approval on the ACC form. The list of requirements is where you control the contractors, i.e., work hours, parking, dumpsters, cleanliness, etc. The owner agrees to these and is ultimately responsible to the HOA to ensure their contractor has a copy and follows them. The City permit must be placed in the exterior walkway window from the beginning of work. The Board will advise neighbors on each side as well ASAP and down that this work has been approved so they will be aware of the noise levels and hours of work, etc. We also collect a \$500 security deposit from the owner which we will refund upon satisfactory completion of the work and adherence to the rules and requirements during the process. We also require a copy of the City signed off inspection report before we return the deposit.
6. Our onsite contractor, Jim Flores and one of the Board members will periodically stop by the unit to insure all the requirements are being adhered to and that they are doing what they said in the ACC form. Any issues, we go back to the owner. We also have a final walkthrough before returning the deposit. Oh yes, one other thing; when the walls are opening exposing the plumbing, we have our contracted plumber come in and check the pipes for any cracked drain lines, etc as a precaution before things get closed up. He knows our plumbing and where to look for any problems. Repairs, if necessary, are done at our expense, i.e. cracked drain line, etc.
7. Depending on timing, the Board of Directors may ask the owner and/or contractor making the application, to NOT start a remodel beginning June 15th and until after Labor Day Weekend, due to the disruption of the community during this timeframe, as summer is a busy period at the beach.

SECURITY DISCLAIMER

We hope that our gate entry system provides some deterrence to crime. However, no matter what steps we take, the association can never be completely safe and secure. For example, it is possible for someone to enter the property under false pretenses to commit crimes, for residents to commit crimes against their own neighbors, for guests of residents to commit crimes, and for employees to commit crimes. As a result, the association is not and can never be free of crime and we cannot guarantee your safety or security. Accordingly, you should NOT rely on the association to protect you from loss or harm. Instead, you should provide for your own security by taking common sense precautions such as carrying insurance against loss; keeping your doors locked; refusing to open your door to strangers; asking workmen for identification; installing a security system; locking your car; not allowing someone to follow you through the gate, etc.
